## FAITH BOOSTERS

### Faith Boosters

Faith is the key to our relationship with God. As promised, our faith in Jesus causes God to save us by His grace. It's *our* part of our eternal salvation. But faith is not a static condition, or at least it shouldn't be. As Christians, our faith in God should be ever growing, ever strengthening,

ever expanding. A growing faith is an essential part of our relationship with God.

But for many Christians, faith struggles to get beyond those first principles that brought us to Jesus, that spiritual "milk" that nourished us when we were an infant in Christ (Hebrews 5:13-14). God wants our faith to grow so we can be closer to him and each other. He wants our faith to grow so we can be stronger and better servants.

A Stronger faith can happen, but only if we take the steps necessary to make it happen. No matter where we are in our walk with God, all of us can use a boost to help us take our faith to the next level.

Starting in July, we will consider Five ***Faith Boosters*** that can help all of us improve our faith in God. **The Five Faith Boosters are: Practical Teaching, Providential Relationships, Private Discipline, Personal Ministry and Pivotal Circumstances.**

Join us this summer as we all seek to make our faith stronger.
