### Making Space for God

**In our crowded life, where does God fit? We spend time “doing” religious things, like attending church, reading our Bibles and praying, but are we living out what we read and learn. Are we making space for God beyond the walls of the church building?**

**Join us as we begin a brand new year considering how we can make space for God in our Calendars, Homes, Budget and our Soul.**

**God doesn't want us to just know about Him, He wants us to experience Him. In order to do that we must make space for Him in all that we are.**
